Hi Everyone,

Have you heard about the *Speak Out Iowa*! campus survey? It’s a survey on how we can make our campus safer by increasing our understanding about how sexual misconduct affects UI students.

You might think this survey doesn’t apply to you because you don’t personally know someone who has been affected by sexual harassment, dating violence, stalking, or sexual violence. Even if you don’t, we can still help our university with its efforts to combat sexual misconduct by telling them about how safe we feel on campus, what we know about campus resources for students affected by sexual misconduct, and what we think about how the University might handle a report of sexual misconduct.

The survey takes about 15-minutes to complete, it’s anonymous, voluntary and you can enter to receive prizes (massages, Hancher tickets, laptop, parking vouchers, gift cards, etc.) once you finish!

Our [name of student organization] is committed to doing our part to create a safer campus for ourselves, our friends and our fellow students.

For more information and/or to take the survey, check out the link below:

Thanks and see you soon!
